

What We Do

We assess the individual needs of the people who require our services and try to connect them with the appropriate and available support and resource(s).

We seek out community members who understand and are supportive of the people requiring our services.

We continuously network with existing resources within the community and surrounding areas to help provide the highest quality of services possible.

We hope to expand our level of services to meet the needs of the future.

Our Council and Funding

The Council consists of representatives from the RM of Eriksdale.

The I.R.H.A. provides financial support to cover salaries and enhances the allocation of services.

We also acknowledge the support and assistance of the RM of Eriksdale.

Donations/Fund Raising assists in providing programs, equipment and present and future development.

Who We Are

We are a not-for-profit agency helping those within the R.M. of Eriksdale.

Our goal is to provide services to meet the needs of those we serve.

Our services assist our community members to remain as independent as possible in their homes.

We offer support to those **age 55+**, those with disabilities and others; to remain independent, safe and comfortable in their own homes.

We gratefully acknowledge the dedication and commitment of our volunteers and our fee-for-service providers.
